TOP 5 REASONS TO SHOP LOCAL

Put Your Money Where Your Heart Is

Support your friends, neighbors and yourself. Invest in our community; help to create a stronger and healthier Altoona by keeping your money here.

What Goes Around Comes Around

Two or three times as much money spent stays in the local economy when you buy local goods and services from locally-owned businesses.

Great Real Value For Yourself

Reader surveys by the consumers union repeatedly show independent businesses beating their chain competitors overall in customer service.

Community Sustainability

Local stores help sustain vibrant, compact and walk-able downtown centers- which in turn are essential to reducing sprawl, vehicle use, habitat loss and pollution.

Local Owners Care About Altoona

Local Business owners live in and love Altoona. They are less likely to leave and are more invested in the future of the whole community.
